Registrations & Assurances

The STANFORD HRPP (Human Research Protection Program) has received Certification from the [Consortium for Applied Research Ethics](#) [1] (CARE-Q) on July 16, 2018. Stanford received reaccreditation from the [Association for Accreditation of Human Research Protection Programs](#) [2] (AAHRPP) on March 18, 2019.

The STANFORD HRPP is made up of five affiliated organizations. Each organization has its own Federalwide Assurance (FWA) with the US Department of Health and Human Services? [Office for Human Research Protections](#) [3] (OHRP). The FWA numbers and their expiration dates are listed below.

Organization	* FWA #	Expires
Leland Stanford Junior U (aka Stanford U)	FWA00000935	11/28/2023
Stanford Hospital & Clinics	FWA00000934	10/1/2024
Lucile Salter Packard Children?s Hospital at Stanford	FWA00000933	4/18/2021
VA Palo Alto Hlth Care System	FWA00000929	1/2/2023
Palo Alto Veterans Institute for Research (aka PAVIR)	FWA00000937	10/26/2022

* For confirmation from [OHRP?s database](#) [4] of all FWA and registration numbers listed above, please use the FWA number or the exact names as listed above.

In addition, Stanford University has an institutional organization (IORG) number under which 8 IRBs are registered. The IORG number and IRB registration numbers are listed below. All IRBs except for IRB 2 are registered with both OHRP and the US Food and Drug Administration (FDA).

Organization	IORG #/IRB Registration #	Expires
Leland Stanford Junior U	IORG0000208	4/16/2021
IRB 1	IRB00000348	Active
IRB 2	IRB00000349	Active
IRB 3	IRB00000350	Active
IRB 4	IRB00000351	Active
IRB 5	IRB00004593	Active
IRB 6	IRB00004947	Active
IRB 7	IRB00005136	Active

IRB 8	IRB00006208	Active
-------	-------------	--------

Stanford University IRBs are in compliance with Good Clinical Practices (ICH/GCP) as consistent with US Food and Drug Administration Code of Federal Regulations (21 CFR 50 and 56) and DHHS Regulations (45 CFR Part 46).
